

The Growing Place Preschool Fall Sponsorship Levels Come be Part of our Story!

Every Book has a story to tell, and those stories need the right people to help it along its journey. Our story at the preschool is all about our wonderful students and their families. This Fall we are asking for your support, so that we can continue to write the Story! Please consider contributing to support our students, staff and the administration team. These levels are suggestions and a way for the Preschool to show appreciation to our community, every contribution counts! Prayerfully consider what works best for you!
