

Dear Families,

What a fun October we had at the preschool learning all about fall and pumpkins! It has certainly been a busy month.

Thank you for supporting our Chick-fil-A Spirit Day. On Oct. 6th. We raised \$260!

Thank you, as well, for being diligent about following the school Health Policy. This is a great help as we strive to keep all children and staff as healthy as possible entering the cold and flu season.

November is the month of Thanksgiving, and despite COVID we have so much to be thankful for. Each age group has adapted their "Feast Day" plans and will share how they will celebrate on their BAND pages. Be sure to stay on the look out for more information.

Lastly, please remember to label your child's snack with first and last names each day. This is very important as we need to be mindful of allergies.

Updates

Drop Off & Pickup

No: _____

Date: _____

The morning drop off and end of the day pickup is going very smoothly. Thank you for your help in making this happen. Please remember to use the crosswalk zone so that we are keeping everyone safe. This also helps teach crossing safety to the children.

VPK Flex

No: _____

Date: _____

Our virtual VPK class is going well. Several parents have mentioned that they have not seen me at arrival or dismissal times. I am teaching the VPK Virtual class from 9:00-12:00 each day. So I am here, just in a classroom. Please know that you can reach me after 12:00 pm every day.

Individual Student Pictures

No: _____

Date: _____

During the month of October our staff brainstormed ideas for safe alternatives to individual pictures of the children. Each option presented the challenge of how to maintain our cohorts and adhere to our strict sanitization practices. Individual pictures are postponed until these requirements are met or restrictions are lifted. It is in everyone's best interest that we do not break the "safety bubbles", or cohorts that the staff have worked very hard to maintain. We will revisit this in January.

Fall Sponsorship

Our Fall Fundraiser is underway! We will be accepting your sponsorship donations thru Nov. 6th. Please stop by the table set up out front upon arrival and dismissal times to turn in your donations or ask any questions.

Come be Part of Our Story!

Every Book has a story to tell, and those stories need the right people to help it along its journey. Our story at the preschool is all about our wonderful students and their families. This Fall we are asking for your support, so that we can continue to write the Story! Please consider contributing to support our students, staff and the administration team. Thank you for your generosity, and being Part of Our Story!
