

Dear Families,

It's hard to believe that this is our final newsletter for the 2020 – 2021 school year. It has been a pleasure to watch your children grow spiritually, socially and academically throughout the year. We are grateful for all the support our families have shown in this most unusual school year. We will miss the families that will be leaving us at the end of this school year, we wish you all the best in your next academic journey. For those families who are returning for the 2021 – 2022 school year, have a safe and healthy summer and we will See you in August!

Check our website www.TGPheritage.com during the summer for up to date information and to view the school calendar.

Chick-Fil-A Spirit Day

Chick-Fil-A Spirit Day was a success! Thank you to all those who came out to support our school. We raised \$185, which will be used toward operational cost for the 2020 – 2021 school year.

School Pictures

Date: _____

We have received great feedback that Wonder Years Portraits did a great job taking the individual pictures of the children, while keeping everyone safe. If your child had their picture taken you should have received an email from Wonder Years Portraits to view the proofs and make a purchase if you so wish. If you have any questions please call the preschool office.

*Everyone will receive a class picture within the next 2 weeks.
